

THE REGIONAL NEWSLETTER OF HAMPTON ROADS SINCE 2013

The Bluesletter

Wednesday 04 April 2018

Note from the Editor

If you have anything to pass on to our Bluesletter subscribers ensure I get the details by Tuesday 1200hrs and I will endeavor to get that information into Wednesdays' issue.

Practice schedule:

Practice is on Tuesday and Thursday evening at Cutter Park, training starts "promptly" at 1900hrs (until 2100hrs), if Cutter Park is closed we could move location, so if inclement weather is forecast check our social media feeds for updates on training location and timing. If you are unable to attend training/running late please post that on our players Facebook page. With both teams qualifying for the play-offs training is very important and can count towards team selection.

Norfolk Blues versus Schuylkill River:

This weekend the Blues will host Schuylkill River in a double-header; at the moment the game is scheduled for Cutter Park, but pending inclement weather a second location (Chesapeake) is being arranged as a fall back. More information to follow on Facebook. This week the social will be held at PBR Waterside in Norfolk.

Social media:

Please sign-up to our social media platforms-
